

CWP/Phoenix Covid Guidelines for Summer Term 2022

Covid regulations have been lifted but rates are still high. We are relaxing our Covid protocols for the Summer Term at the Phoenix but would ask everyone to be aware that we still need to be careful.

- Please, take a lateral flow test before coming in if you have been in contact with anyone with Covid, or if you are feeling unwell, or if you have made a group decision to do so with your course tutor.
- If you test positive, please isolate for the required period.
- Please, bring paper tissues in with you, follow the 'catch it, bin it, kill it' approach and use a tissue when you cough or sneeze. Used tissues to be put in the bin immediately and hands washed.
- If you feel more comfortable wearing a mask in classroom sessions, please do so.
- In the teaching space seating will be set up so everyone is sitting at a safe distance from each other.
- Teaching rooms will be cleaned on a daily basis while courses are taking place.
- Public toilets and other communal areas will be regularly cleaned.
- Teaching rooms will be ventilated during the day.

Thank you.
